

FOR IMMEDIATE RELEASE

Singing Soul Books: Where Heartwarming Tales Ignite Profound Reflections - Kid's Books (Secretly) for Adults!

Singing Soul Books invites you on an extraordinary journey into the enchanting realm of storytelling. These aren't just children's books; they are soul-nourishing experiences designed to touch the hearts of both young and adult readers while teaching championship mindset strategies, empathy, self-love, mindfulness, and overcoming limiting beliefs to create the life of your dreams.

Heartwarming Kids' Books (Secretly) for Adults

Discover the hidden treasures within our captivating children's books that secretly unfold into profound reflections for both children and adults. Each tale reveals a magical journey of self-discovery, empathy, and genuine connection.

Unveiling Transformative Magic

Explore the transformative magic woven into our stories. While disguised as children's literature, these books are a deep dive into self-reflection and intuition. They resonate with readers of all ages, offering valuable insights for navigating the complexities of modern life, making them essential reads for children and adults alike.

Igniting Inner Greatness through Storytelling

Our stories and illustrations serve to gently activate powerful seeds of wisdom, knowing, and insight. By activating the inner wisdom of readers, these tales inspire greatness, self-belief, worthiness, and the ability to create the life of one's dreams using the very same tools and techniques taught by the world's top coaches to athletes and business professionals. You get access to these very same championship mindset strategies that you can begin to implement on the very first reading of the books!

Soulful and Nourishing Adventures Await

Embark on soul-enriching journeys with Ethan as you explore each chakra. From confronting fears, to speaking your truth despite push-back, to establishing healthy boundaries, our books guide readers on transformative experiences that deepen connections and unlock the heart.
